

# VION HARDWARE INSTALL INSTRUCTIONS

SIMPLY FOLLOW OUR STEP-BY-STEP INSTRUCTIONS, AND YOUR VION HARDWARE WILL SOON BE ENHANCING YOUR HOME OR WORK SPACE FOR MANY YEARS TO COME.

## Getting Started:

### Parts Included:

- Back plate
- Decorative faceplate
- Bracket attachment shaft
- Bracket set screw
- Bracket unit
- Rail holding set

### Tools Include with Bracket:

- Hex key

## Instructions:

- 1 Attach your back plates to your desired area.
- 2 Place decorative faceplate over the back plate.
- 3 Screw the bracket attachment shaft onto the threaded part of the back plate.
- 4 Place your bracket unit onto the bracket attachment shaft.
- 5 Screw bracket set screw (with included Hex Key) into the hole on the top of the bracket unit closest to the wall until it is tight.
- 6 Make sure the rail holding set is attached to the bracket unit loosely (you should receive it this way).
- 7 Push your H-Rail up into the bracket unit and tighten the rail holding set (with included Hex Key) on the top of the bracket unit.

### Installing H-Rail Over 8 feet Wide-with 2 Poles:

All poles set over 8 feet will come as 2 poles. A center bracket must be used on the splice (shown below) where the poles meet.

- 1 The splice will have 5 screw holes, 4 of which should have tightening screws already attached. The 5th threaded hole (center) is where the bracket connects.
- 2 Detach the "parallelogram" piece from the bracket screw and attach the screw directly into the top of the connector.

## Warranty:

The Shade Store products are covered by a limited lifetime warranty. This warranty covers any defects in materials or workmanship so long as the product is measured and installed according to instructions. Every shade store window treatment is designed to provide trouble-free use. In the unlikely event that warranty service is ever needed, simply contact customer service at [install@theshadestore.com](mailto:install@theshadestore.com) or 800-754-1455 for assistance.
